November 7, 2018

Potranco Ranch Homeowner,

This is a courtesy letter from the developer's office of Potranco Ranch to inform you that there will be a new street being constructed near your home. Please see the attached exhibit for reference. The new street will be going through a portion of the existing detention pond that is near your home. Construction on this project is scheduled to begin November the 15th, 2018 and will be completed in approximately 6 months.

Thank you for your patience during this construction period.

Sincerely,
320 Potranco Ranch, LLC
